

NOTICE OF PARTIAL STREET CLOSURE

Notice to residents and business owners located on:
Queen Street – Mill Street to Main Street
Mill Street - Queen to Nelson
George Street – Wellington to Nelson
Nelson Street – Mill Street to Main Street
Main Street – Queen to Nelson

Please be advised that the southbound lane on George Street North between Queen and 9 George Street North – the new Alterra Condominium Residential Building – will be closed to vehicular traffic for five weeks. This partial closure is necessary in order to complete watermain construction for the building.

FROM: Wednesday May 12, 2010 @ 9:00pm
TO: Friday June 11th, 2010 until 6:00pm

During this time, there will be full **northbound** access from Queen Street to Nelson Street, which includes access to the Nelson Street parking garage and all businesses on George Street and Diplock Lane (behind Main Street). **Southbound** access will also be available from Nelson Street to just **north** of 9 George Street North.

Pedestrian traffic will be shifted to the East side of George Street. For Monday to Friday, from 7:00 am to 6:00 pm, workers will be directing traffic through the construction zone. During evenings and on weekends, two lanes will be open to traffic. Other downtown streets, including Queen and Main, are likely to see increased traffic activity during this time.

Bus traffic that normally uses George Street will be directed via a detour using McMurchy Avenue as the access to Nelson Street. Please see the attached map for details of the bus route change. Additional details on bus detours can be found at www.bramptontransit.com

All emergency services including police, fire and ambulance have been notified.

We apologize for any inconvenience this disruption will cause. Safety is our utmost concern and we will complete the work as soon as possible.

If you have questions or concerns about the closure, please contact one of the following:

Steve Matijasic – Alterra Group – (905) 971-1532
Mark Brusso – Alterra Group – (416) 676-5657
Tony Barcheri – Watermain Contractor – (416) 678-9468
Thomas Carr – MMM Group Limited – (416) 303-9311
City of Brampton Works Department – (905) 874 2500

Thank you for your cooperation.

Yours very truly,

Rob Cooper
President
Alterra Group of Companies
